

Title:

Test Coupons, Supplier Furnished

Aerojet Quality Note**G01****Rev #****Date****0****10/11/08**

The Supplier shall furnish and process test coupons of the material and quantity required by the applicable specifications for the Special Process lot (e.g., Mill Heat, Plating, Testing, etc). Test coupons shall be permanently identified by the supplier, including the supplier's name, Aerojet's purchase order number, the lot number/serial number, and the alloy identification. Any other information required to provide full traceability to each process lot will also be marked on the coupon, such as melt number, batch number, or heat treat number.

Supplier Deliverable: The supplier shall send the tested coupons and written test results back to Aerojet with the delivered line item.
