

**Effective Date: 11/14/2019**

**F02: First Article Inspection Report with Shipment (12 Months)**

First Article inspection shall be completed in accordance to Aerojet Rocketdyne General Requirements. The seller shall in addition to these requirements, complete/evaluate First articles when FAIR trigger events listed in AS9102 Sections 4.5F at a twelve (12) month period (Deviation from AS9102). Objective evidence of this shall be submitted with initial order as well as proof with every subsequent order.
