

H08: Ammunition Cards

Effective Date: 11/06/2017

MIL-STD-1168 is a requirement of this order. The supplier shall submit a completed copy of an ammunition data card with each loaded component. Each loaded component shall be identified with the appropriate lot number as specified in MIL-STD-1168. All ammunition data cards shall comply with the requirements of the most current revision of MIL-STD-1168.

This document is an integral part of the contract (purchase order) in which referenced. **Applicable Revision:** The revision in effect at the time the purchase order is placed.
