

Title:

PANEL VERIFICATION

Aerojet Quality Note

I14

Rev # Date

0

10/14/08

Aerojet must review and approve in writing all panel artwork prior to processing, including review and written approval of master and production patterns. This review will consist of verifying compliance to the drawing, coupon location and quantity required by Aerojet design documentation as identified in the purchase order including any specification requirements referenced therein. The seller shall not proceed with processing without written approval from Aerojet. Contact the Aerojet buyer no less than 48 hours in advance of this inspection point to arrange for an on-site review.

Rev	Date	Description of Change	Changed By

This document is an integral part of the contract (purchase order) in which referenced. **Applicable Revision:** The revision in effect at the time the purchase order is placed.
