

Q078 – Electronic Quality Documentation Package Supplier Portal

Prior to shipment of product, Seller shall provide all contract required quality related documentation through [Aerojet Rocketdyne Supplier Portal](#) for Buyer's review and acceptance.

If Seller is not registered on the Supplier Portal, Seller shall contact Buyer to activate registration process.

Exemption Process:

The Seller is exempted from this process when a signed "Authorization to Ship Waiver for Quality Clause Q078", Form #QMA-F-7.08.06.38.50, has been signed, stamped, and dated by the Aerojet Rocketdyne Supplier Quality Assurance Inspector.
